

## The Kitten League Adoption Contract

This agreement states that the adoptee listed below will comply with the contractual elements of this document. Adoptee agrees to provide proper housing, care and veterinary service to the adopted cat.

### Initial each after reading and agreeing to comply:

\_\_\_\_\_ Any cat/kitten adopted from The Kitten League will be an indoor cat only. Supervised outdoor enrichment such as a leash or catio is allowed.

\_\_\_\_\_ Should your cat/kitten accidentally escape your home or gets lost, please contact your TKL representative or foster immediately. We can offer helpful insight and assistance.

\_\_\_\_\_ Please understand, The Kitten League recommends at least 30 days, often longer, of a good faith adjustment period for both your existing and incoming cats. A separate space, slow introduction and patience is necessary to ensure successful, stress free acclimation into a new environment. If after this time, adjustment is deemed unsuccessful, TKL will happily welcome the cat back and the adoption fee will be refunded by half.

\_\_\_\_\_ Should any adoption need to be terminated for ANY reason, please contact The Kitten League through your foster contact, email [TheKittenLeague@gmail.com](mailto:TheKittenLeague@gmail.com) or call 605-359-2017.

\_\_\_\_\_ It is understood that any adoption fee is non-refundable and will be considered a donation back into the organization. Partial refunds will be issued when certain requirements have been met.

I (Print Name), \_\_\_\_\_, have read and agree to the above stated regulations and I understand that this is a legally binding contract to be upheld by The Kitten League's legal council.
